School:	
Date:	

I hereby advise my Dean or Director (or his /her designate) that I am interested in a post-retirement position at Camosun College. I understand that these positions are available only to department members who have retired from the College prior to the closure of the competition for the position. I have retired or intend to retire as of _____(date).

- Entitle me to receive a contribution into an RRSP of my choice in an amount equal to the College's contribution to the College Pension plan.
- Provide the same rights and benefits as continuing faculty members, excepting the following:
