August-2011

Notes:

Grades were extracted from the student information system in August 2011. Stable enrolments from the terms 2011W and 2011Q2 in all areas other than Continuing Education were included. Courses that ended more than a month after the end of the semester were excluded.

Where no grade is available "W" was assigned for withdrawn activity and "N/A" for all other.

All course sections with less than 5 enrolments were not included to protect individuals' privacy.
