

Golf Management

Program Information

The Golf Management program, which offers co-operative education and internships, provides students the opportunity to complete a two-year diploma in Business Administration, Management Option followed by an advanced diploma in Golf Operations. Students in the program are focused on acquiring relevant business skills in conjunction with golf specific courses such as tournament organization, golf management, golf retail operations, and food and beverage courses to name but a few. The focus is on giving students the necessary skills and knowledge to work in the golf industry in a variety of positions such as golf teaching professionals, pro shop assistants, tournament organizers, backshop managers, outside services coordinators, guest services, sales representatives, club marketing, and club managers.

Common duties performed by first year Golf Management students:

- Service members and customers in a professional and positive manner
- Oversee the management and operations of the various outside services and back shop departments daily activities
- Assist in the merchandising of the retail golf shop
- Coordinate various membership and outside tournament and special events
- Create new and exciting player development programs and initiatives within their golfing community
- Be a productive team player in a variety of golf related positions

What is Co-operative Education?

Co-operative education combines classroom study with periods of related work experience. Students alternate between academic studies and paid employment with co-operating employers in business, industry and government.

Students are eager to work hard, learn and contribute their knowledge and skills to the success of your organization. They require an orientation to the position, regular supervision, and some guided performance feedback at the mid and end points of the work term. A co-op field instructor will meet with you and the student during the work term.

How will my Organization Benefit?

- Prescreened job applicants
- Motivated employees
- A tool to recruit future employees
- Cost effective hiring
- Temporary staff
- Special skills
- Flexible staffing for special projects
- Responsive to employers' needs

“The program met my goals very well. Gallagher’s received four great employees through this program. We would definitely rehire through the co-op program!”

– Peter Hopley, Gallagher’s Canyon Golf & Country Club, Kelowna, BC

“Camosun Golf Students are highly thought of and have been a positive addition to our Outside Services Staff.”

– Dennis Green, Outside Services Manager, Chateau Whistler Golf Club, Whistler, BC

“Golf Plus has been very involved with your co-op education program for four years now, and I must commend everyone involved for a very well-run, quality program. You have provided us with an excellent supply of willing and enthusiastic young people for employment at our retail store, and without exception, they have all proved to be definite assets to our business. I would not hesitate to continue our relationship, and, of course, the co-op that you provide makes it that much more attractive.”

– Jim Ott, Owner, Golf Plus, Victoria, BC
