

## **Camosun International Field School Scholarship (\$250-\$1,000)**

The benefits of studying abroad are numerous: it is a rich academic and cultural experience; it challenges your perspective; it is an opportunity for personal and professional growth – the list goes on.

While there is no shortage of benefits, Camosun International recognizes that financial issues are often the number one barrier for students to pursue studying abroad. The Camosun International Field School Scholarship supports students participating in a Camosun Field School.

To be eligible for the Field School Scholarship, you must be accepted into a [Camosun Field School](#) offered in the current academic year.
