**The University of Victoria welcomes Camosun College students.**

The University of Victoria (UVic) and Camosun recognize that students who see a pathway to university early in their college studies are more likely to pursue university degree completion. To this end, UVic and Camosun, as members of British Columbia's Post-Secondary Transfer System, are strongly committed to providing a clear pathway for students to begin their studies at Camosun, transfer their Camosun credit to UVic and complete their undergraduate degree in four years.

The Camosun to UVic pathway is clear.

If you are a current Camosun College student who wishes to attend the University of Victoria, you will be guaranteed admission to the UVic Humanities, Science\* and Social Sciences if you:

- A) complete 60 university-transfer credits, 2 years of study or a minimum 24 university-transfer credits at Camosun College  
and
- B) you obtain an average of at least 2.00 ('C') on the most recent 24 credits in your Camosun studies

For complete information on transfer credit recognized from Camosun College to UVic you may wish to visit the online British Columbia Transfer Guide website at:  
<http://www.bctransferguide.ca/>

I wish you success in your studies at Camosun College and look forward to welcoming you as a UVic student in the future.

Sincerely,

Lauren Charlton  
Registrar

\* *If you do not complete specific admission requirements for the Faculty of Science, you will be admitted to the Faculty of Humanities or Social Sciences and you may register in Science courses.*
