Participant Code for Field Schools

A Field School is a unique academic opportunity in which the environment becomes the classroom and learning is not confined to reading texts or attending lectures. A Field School is exceptional because it takes place largely in a country and culture often far removed from the Canadian norm. The laws and legal system as well as modes of behavior, dress, cuisine, habits, expectations and styles of interpersonal communication are all likely to be markedly different from the Canadian experience.

All participants of a Camosun College Field School must be a minimum of nineteen years of age. As such, all are legally adults and will be expected to conduct themselves accordingly. All participants will be seen as representatives of Camosun College, and will be in close contact with colleagues from Camosun College's partner institution overseas.

The Camosun College Board of Governors has approved a "Student Conduct Policy". All members of the Camosun College community are governed by the Harassment Policy. These apply to participants in College activities at the Lansdowne and Interurban Campuses. In a Field School situation, conduct requirements are more comprehensive. Any conduct which contravenes the laws of the host country, puts in jeopardy the safety of any participant of the program or member of the partner institution, seriously disrupts the delivery of the program, violates the rules and regulations established in good faith by the accompanying Camosun College faculty member, or detracts in a substantial way from the learning environment, will not be tolerated.

The Camosun College faculty member accompanying the Field School is the final authority for decisions related to participant conduct. The faculty member has the authority, with grounds and without recourse to parties on the college campus in Canada, to withdraw participants from the Field School program. If a participant is withdrawn from the Field School or leaves voluntarily, that participant must leave the group immediately. If a participant is withdrawn from the Field School or leaves voluntarily, the balance of funds paid for participation in the Field School will not be refunded unless such refunds are returned to Camosun College from the relevant vendor(s) overseas. There will be no refund of tuition or other academic or administrative fees.

The affected participant is then personally responsible for all costs incurred as a result of early departure, and is personally responsible for organizing travel arrangements for return to Canada. Camosun College and its Field School representatives accept no responsibility or liability for any participant who has left the program either voluntarily or by administrative withdrawal. A participant withdrawn from the Field School may exercise a right of appeal within three calendar months of withdrawal from the program. Application for, payment for, and participation in the Field School program, constitute acceptance of the terms of the Field School, including the academic content, length and location of the program, the terms of participant conduct as well as payment schedule, deadlines and amount.

The undersigned has read the above and agrees with this Participant Code and agrees to waive any rights to refunds.

Refund Policy for Field Schools

Note that the refund policy applies equally to:

- students who apply for the field school and decide not to go.
- students who begin participation in the field school and decide to return home early.

Note that the pre-departure orientation program is, without exception, mandatory. Students who do not participate in the orientation will not be allowed to participate in the field school and will be refunded only that amount of money that can be feasibly returned to Camosun College from hotels, travel agents, carriers, and agents and other participating businesses, or for tickets, accommodation, or other expenses for the field school, less the \$500 deposit.

Field School applications must be accompanied by a \$500 deposit.

- If an applicant is not accepted into the field school, the deposit will be returned in its entirety. Otherwise, the deposit is not refundable.
- Extenuating circumstances that would allow for a full refund would include proof of a personal, family or medical emergency submitted with a written request for the refund.
- An inability to raise sufficient funds for participation cannot be seen as an emergency.
- In exceptional circumstances, such as when proof is provided that an applicant is denied a student loan, it may be possible to refund 50% of the deposit.
- Once additional payments have been made, and before the field school departs, these payments (over and above the deposit) will be returned upon withdrawal for valid reasons- valid reasons would include proof of a personal or family medical emergency. These payments will be returned less any costs that have been paid for airline tickets, accommodation, or other expenses for the field school. As such it is recommended that participants take out cancellation insurance on their flights.
- Once additional payments have been made, and after the field school and participants have departed for the international destination, payments (over and above the deposit) that can feasibly be refunded to the College will be returned upon withdrawal for valid reasons; these might include a personal or family medical emergency or early return due to a serious illness. These reasons do not include early return due to culture shock, homesickness, legal or academic discipline, criminal activity, or external events in the outside community that are beyond the control of the Camosun College field school.

The undersigned has read the above and agrees with this Refund Policy for Field Schools.

CAMOSUN COLLEGE INTERNATIONAL

FIELD SCHOOL 2010

RISK ASSUMPTION AND LIABILITY WAIVER FORM

PREAMBLE

Participation in the Camosun College Field School Program (the "Program") is completely voluntary. Most of the courses offered through the Program are available at the campuses of Camosun College and other colleges. Applicants are not required to participate in any part of the Program in order to complete their diploma or degree.

All participants in the Program are required to execute this Risk Assumption and Liability Waiver Form, through which the participants assume all of the risk attendant with their participation in the Program and release Camosun College, its employees and agents and representatives from any and all claims which might arise as a result of their participation in the Program.

The Camosun College Field School Program is an exceptional educational opportunity, but it is not without certain risks, dangers, and hazards to which all participants may be exposed. These include, but are not limited to the risk of, personal injury, death, property damage, expense and other loss, delay or inconvenience, and course cancellation or curtailment

The Statement of Risks set fourth below is intended to inform participants of the general nature of the risks associated with participation in the Program. It is not intended to be an exhaustive list of the various risks to which participants may be exposed as a result of their participation in the program

STATEMENT OF RISKS

The Program involves all the risks inherent in international travel. The majority of the Program will take place in the location identified. There are significant risks, dangers and hazards to which all travelers are exposed. These include, but are not limited to, a poor road and transportation systems, tropical diseases, exposure to wildlife, political instability and threats of terrorism. The medical facilities there may be of a lower standard than in Canada. Some locations may have a high incidence of crime as well as malaria, hepatitis, HIV, AIDS and other infectious diseases.

Camosun College will be using the services of independent travel agents, airlines and local travel companies. Camosun College cannot accept responsibility for the conduct of these independent agencies. It is always possible that the Program might not be completed or individual courses or activities may be curtailed or cancelled, due to weather, illness, political disturbances, terrorism, motor vehicle accidents, transportation problems, tribal violence, failure to perform on the part of the travel agents, airlines or safari companies, problems relating to customs, immigration or visa requirements, or other circumstances either within or beyond the control of Camosun College.

ASSUMPTION OF RISK BY PARTICIPANT

I understand that as a result of my participation in the Program I may be exposed to various risks and that I might suffer loss or damage as a result. I freely and voluntarily accept and assume personal and sole responsibility for any loss or damage suffered by me as a result of any aspect of my participation in the Program.

LIABILITY WAIVER

I RELEASE AND SAVE HARMLESS Camosun College, its employees, agents and representatives from any and all liability for any loss, damage or expense that I may suffer as a result of my participation in the Program.

Further I RELEASE AND SAVE HARMLESS Camosun College, its employees, agents and representatives from any and all liability for any loss, damage or expense that I may suffer if ,while participating in the Program, or after the termination of the Program I engage in activities that are not sanctioned by Camosun College. (cont'd)

I have read this document carefully and acknowledge my understanding that signing it affects my legal rights.

If you have any questions or concerns, you are encouraged to seek independent legal advice.

EARLY DEPARTURE, WITHDRAWAL, OR PROGRAM CANCELLATION

Students are required to stay at the program location until the final date of the program as announced in the program materials. Students are expected to complete the academic program including all examinations and submission of papers prior to departing the site. There are several circumstances that may force a student to leave a program early or withdraw from a program, for example, a serious accident or illness, a severe psychological problem, or a family problem. In the case of a student who, due to emergency circumstances, is forced to depart early or is unable to complete an aspect of the requirements for one or more courses, Camosun College will report an **Incomplete** on the student's transcript. If an emergency situation forces the cancellation of a program prior to the end of a session, Camosun College will make every effort to secure alternative arrangements for students to complete their academic work.

Camosun College reserves the right to cancel a field school program due to insufficient enrollment or other factors beyond its control. In case of program cancellation, participants are provided with alternative program options or are given the option to defer participation to another term. If the student does not opt for an alternative program or a deferral, Camosun College refunds the \$500 deposit, and all additional fees paid.
