Student Life	
International Family Mentor Programme	<p>At the BFH Business School we have an "International Family" arrangement, where each exchange and international degree student will be assigned to an international family. Each international family has two mentors. These are BFH students, who volunteer to help one or more of our international students in getting through the first few weeks in their new surroundings.</p> 
Welcome Week	<p>This event is a great opportunity to meet fellow international students and the International Office team. It provides students with useful background information about Switzerland in general and Bern and BFH specifically. The Welcome Week is a mandatory week for all Incoming Exchange and Double Degree students. It takes place in:</p> <ul style="list-style-type: none"> • Autumn semester: week 37 • Spring semester: week 7
Campus Facilities	<p>On-site students have access to the library (24/7), study rooms and canteen.</p>
Sports	<p>BFH Business School students have access to the sports facilities of the University of Bern. www.sport.unibe.ch/eng</p>
Get2gether	<p>Get2gether' is a student group founded in 2012 by former outgoing BFH Business School students. They organise events and connect Swiss with international students to support and socialise with each other.</p>
ESN Bern	<p>ESN is a Europe-wide student organisation, which works for the social and personal integration of exchange students. This work involves organising welcome parties, events, excursions, and personal support during the stay abroad. www.bern.esn.ch</p>

Entry & Stay in Switzerland	
Visa Requirements	<p>To enter the country, foreign nationals need a valid travel document, which is recognised by Switzerland. In some cases, a visa is also required. In addition, all international students must submit a residence application, financial proof and take out health insurance on their own behalf. For further information check the International Relations website: www.bfh.ch/en/service/international_relations_office/incoming_students</p>
Accommodation	<p>BFH does not have onsite accommodation facilities. However, the Business School holds a small allotment of rooms at the student lodging. These rooms are being filled on a first come first serve basis. Other housing options can be found on our website: https://www.bfh.ch/en/service/life_leisure/accommodation.html</p> <div style="display: flex; justify-content: space-around;">    </div> <p>Vacant rooms and apartments are also advertised on the Internet:</p>
Health Insurance	<p>In Switzerland, contracting a health and accident insurance policy for stays of longer than three months, is mandatory. A basic insurance plan covers medical care in the case of illness or accident.</p> <p>After arriving in Switzerland and registering with your municipality of residence, you have three months in which to take out health insurance. Provided you register within this time, you are insured from the time you enter Switzerland.</p> <p>Students are responsible for taking out health insurance themselves.</p> <p>Persons from the EU/EFTA area who have a European health insurance card are exempt from the duty to take out health insurance in Switzerland. They do not need to take any actions. Students from non-EU countries whose health insurance schemes are recognised by the Swiss authorities can, on application, exempt themselves from the duty to take out health insurance. Find out from your health insurance organisation whether your scheme covers you in Switzerland.</p>
Financial Proof	<p>For Non-Erasmus Students: To obtain a residence permit, students must be able to prove, as required, to have sufficient financial means for the stay (at least CHF 1500 per month). This proof can be in the form of any of the following: a bank statement, confirmation from the person who is financially supporting you and/or a grant certificate.</p>

<p>Transport System</p>	<p>The city of Bern has an excellent public transport system, which extends to neighboring suburbs and towns. A special ticket is available for approx. CHF 59 per month for students under 25 years of age. It offers unlimited bus, tram and train travel to commute to the Business School and explore the city and its surroundings. For further details go to Bern Mobil. www.bernmobil.com</p>  <p>Bern's ideal central position makes it a perfect point of departure for excursions throughout Switzerland. The Swiss Federal Railways offers a railcard (Halbtax-Abo) which costs approx CHF 150 per year. Holders of the Halbtax-Abo pay only half fare for trips by train, post bus, and boat. In addition a range of special tickets (Gleis 7) and services for young people are available. www.sbb.ch</p>
<p>Your Arrival</p>	<p>We strongly advise students to arrive in Bern a few days prior to the Welcome Week so they can get settled, meet their International Family members and get to know their way around the city.</p>
