Continuing Education

Camosun College's Continuing Education classes deliver a wide range of practical, high-quality, hands-on training. The programs are taught by instructors with current industry experience and are scheduled in part-time, fast-tracked and evening options to provide flexibility and value for adult learners.

A print course calendar of non-credit education classes is published three times a year; and the complete course line-up, plus registration services, is always available at camosun.ca/ce.

Additionally, Camosun College supports professional development opportunities with certificate and industry partnership programs through Continuing Education and Contract Training (CECT).

Certificate Programs

- Activity Assistant
- AutoCAD Graphics
- Hospital Unit Clerk
- Leadership Development
- Medical Laboratory Assistant
- MS-Access Data Management

Camosun College provides training and educational services locally, regionally and nationally through the Continuing Education and Contract Training (CECT) department.

Hundreds of pre-packaged continuing education classes can be customized, or specific staff training can be developed and delivered on campus or on site at the workplace. CECT's professional project managers and experienced adult educators work with clients in business, industry, government and community agencies.
