

SCHOOL OF ARTS & SCIENCE

FRED HUGHES ENDOWED SCIENCE AWARD

CRITERIA FOR ELIGIBILITY

Students must apply for this award.

Established in 2010 by Fred Hughes, this award acknowledges high academic achievement and is given annually to a science student going into their second year of either the Associate of Science Degree or UT program. Fred was a long-time Associate Dean of Arts & Science and instructor of mathematics at the college.

To be eligible to apply for the Fred Hughes Endowed Science Award applicants must:

- Be returning to their second year of either University Transfer or Associate of Science Degree program.
- Be a full-time student and carry a minimum of 3 courses in science and/or mathematics per term.
- Have a high GPA.
- Submit a statement describing the applicant's background, interests, academic program, and career goals (200 words, typed, double-spaced).
- Complete and submit an application form available from the Arts & Science office (F104). The two Camosun College faculty references provided on your application form will be contacted by the Arts & Science office.
