PROGRAM INFORMATION

Participation requirements

Many first year Business courses require Math as a prerequisite (a “C” in Principles of Math 11, or Pre-calculus 11, or Foundations of Math 11, or Applications of Math 12, or MATH 137, or MATH 073; or “C+” in MATH 135 or MATH 072). Students may enter the program without Math but **must** complete one of the Math courses listed above or successfully complete Camosun’s Math assessment in or before their first semester of study.

* Students may use ENGL 161, 163 or 164 in lieu of ENGL 151

To qualify for a Diploma in Public Administration, a student must complete all required program courses and achieve an overall cumulative GPA of at least 2.0.

Graduates can choose to continue their education at Camosun College with the Bachelor of Business Administration. Talk to an Academic Advisor to learn more about your options.
