PROGRAM INFORMATION

Prepare for a career in HR

You'll gain valuable business skills relevant to working as human resource practitioners while building on past learning. There is particular emphasis placed on leadership and change management incorporating some of the key elements required to pursue a [Certified Human Resource Professional](#) (CHRP) designation.

If you started this program prior to 2014, please [contact an Academic Advisor](#) for assistance with making course selections that will support your eligibility for the program credential.

Work Experience

You will gain practical skills and experience by combining your academic studies with relevant work experience in the [Internship designation](#).

You'll graduate with practical work experience which will be complemented by valuable networking opportunities.

To qualify for a Post Degree Diploma in Business Administration - Human Resource Management & Leadership option, students must successfully complete all required program courses and electives and achieve an overall cumulative GPA of 2.0 or higher. Students must have completed an accredited bachelor degree from a recognized post-secondary institution.
