PROGRAM INFORMATION

The Post Degree Diploma in Business Administration, Accounting Option program is intended for students who have a degree or are completing a degree program, and need the courses required by the Chartered Professional Accountants (CPA) or other accounting credentials.

Camosun offers all of the courses required to enter the [Chartered Professional Accountant](#) (CPA) Program. Please book an appointment with an [Academic Advisor](#) or Program Leader to see how the Post-Degree Diploma works with your CPA or other program needs.

* Students who have received transfer credit for FIN 210 but not FIN 110 will be eligible for a three-credit substitution

Elective Information

- Two (2) 100 level or higher School of Business Courses
- Two (2) non-School of Business Academic 100 level or higher Course or 100 level of higher School of Business Course

Courses not acceptable for use as electives in the Post-Degree Diploma in Business Administration, Accounting Option:

- ACCT 207
- Only one of BUS 230, STAT 116, STAT 216 or STAT 218 may be used as an elective towards the credential.
- MATH 135 and MATH 137
- ENGL 140 and ENGL 142

Work Experience

You will gain practical skills and experience by combining your academic studies with relevant work experience in the [Internship designation](#).

You'll graduate with practical work experience which will be complemented by valuable networking opportunities.

The PDDA program consists of 15 courses which can be completed in a 12-month period provided the student attends on a full-time basis and completes ACCT 110, FIN 110, ACCT 111, and two electives, during the first term. Effective April 16, 2014, the PDDA is eligible for student loan/grant funding.

Depending on the number of transfer credit courses granted, a student may require more or fewer than 15 courses to satisfy the CPA designation prerequisites. To earn the PDDA, 25% of the required program or program credits must be completed through Camosun College, with an overall cumulative GPA of at least 3.0.
