

	School of Health & Human Services Medical Radiography Program
	Course Name: Clinical Practicum 2 Course Number: MRAD 260

COURSE OUTLINE - Fall 2018

The Approved Course Description is available on the web: <http://camosun.ca/>

Please note:

- *This outline will be electronically stored for five (5) years only. It is strongly recommended students keep this outline for your records.*
- *This course is only open to students in the Medical Radiography program.*

Introduction:

During this advanced beginner practicum-based course, students combine knowledge from all prior courses to perform radiographic procedures in varied practice situations and for varied patient types. Students observe and participate in advanced radiographic procedures and specialty imaging modalities. Students practice under direct and indirect supervision and receive feedback on their developing skills from qualified Medical Radiation Technologists.

Students must achieve a COM (complete) status to use this course as a prerequisite and advance to the final practicum.

1. Instructor Information

(a)	Instructors:	Hong Gerow and Sarah Erdelyi
(b)	Office Hours:	please email
(e)	Email:	gerowh@camosun.ca and erdelyis@camosun.ca

2. Intended Learning Outcomes/Competencies

Upon completion of this course the student will be able to:

- a) Demonstrate professional behaviours in a variety of clinical settings and practice situations by adhering to the Medical Radiography program and clinical site policies and guidelines.
- b) Apply prior didactic knowledge and clinical experiences to a variety of clinical settings and practice situations within the scope of practice of the advanced beginner radiographer.
- c) Distinguish appropriate learning opportunities by utilizing resources available in the clinical learning environment to achieve portfolio and course requirements.
- d) Manage patient interactions safely by observing legal and ethical workplace standards and utilizing best practices.
- e) Practice appropriate, accurate, and effective communication with members of the public and all members of the health care team.
- f) Demonstrate increasing levels of proficiency and independence in a variety of clinical settings and practice situations within the scope of practice of the advanced beginner radiographer.
- g) Demonstrate increasing levels of clinical competence by performing a variety of routine and non-routine radiographic examinations, advanced radiographic procedures, and specialty imaging modalities within the scope of practice of the advanced beginner student radiographer.

3. Learning Resources

Required Documents:

1. Portfolio of Clinical Experience and Competence
2. Clinical Pocket Book

Desire-to-Learn (D2L):

D2L contains the remainder of the learning materials for this course. Students are expected to familiarize themselves with the online learning environment. Log on at <https://online.camosun.ca/> to access these materials.

Additional resources may include, but are not limited to: PowerPoint slides from prior courses and links to external resources.

D2L materials must **not** be considered your sole source of information! Additional materials include clinical site protocols and procedures.

4. Student Assessment – CP2 Clinical Requirements

Attendance Requirements	Weeks 1-15	4 clinical days/week; no more than 4 days missed in total; no more than 1 day missed within a formative evaluation cycle
Orientation and Assignments	Orientation Checklist	Submit to D2L by the end of week 1
	Fluoro Self Reflection/Case Study	Submit to D2L by the end of FL rotation
	OR Self Reflection/Case Study	Submit to D2L by the end of OR rotation
	CT Self Reflection	Submit to D2L by the end of CT rotation
Portfolio Requirements	Unassisted Procedures	28 Radiographic Total
		0 (required) Fluoroscopy, aim for 1 minimum*
		0 (required) Operating Room, aim for 1 minimum*
	Competency Assessments	10 Radiographic minimum
		0 (required) Fluoroscopy, aim for 1 minimum*
		0 (required) Operating Room, aim for 1 minimum*
	Formative Evaluations	5 required: week 3, 6, 9, 12, and 15. Submit to D2L on the same day evaluation is reviewed with CI. Remediation during flex week may be required based on results.
Image Transfers	Week 13	See D2L for case selection instructions.

*Minimum is highly recommended. For students placed at sites with less opportunity to perform FL and OR procedures, completion requirements may be adjusted at the discretion of the course instructor (Liaison). Similarly, students who are completing their final placement at one of these sites may be expected to complete all FL and OR portfolio requirements during this practicum.

Assignments

- Complete and submit all requirements to D2L by due dates.
- Incomplete assignments/documentation will be returned for revision and will receive an IP grade for that assignment. Failure to resubmit assignments/documentation in a complete manner will result in an NC grade for that assignment.
- In emergency circumstances, such as health problems or family crises, a student may arrange to submit documentation at an alternate date. These exceptions require the approval of the course instructor (Liaison) BEFORE the due date.
- Failure to request approval from the instructor before the due date may result in a formative evaluation that does not meet the minimum expectations. Chronic late assignment submission may necessitate a success plan or learning contract.
- Holidays, personal commitments, or scheduled flights are **not** considered to be emergencies. The student may be required to provide verification of the emergency circumstance. (Camosun Academic Policy)
<http://camosun.ca/learn/calendar/current/pdf/academic-policies.pdf>

Attendance

- Students are expected to be **on time for all clinical shifts**. Tardiness may lead to a formative evaluation result that does not meet the minimum expectations. If tardiness is a chronic issue, a success plan or learning contract may be necessary.
- Attendance to all clinical hours as per the posted schedule is **mandatory**. Failure to participate in rotations as scheduled or to meet clinical requirements due to absenteeism may result in the inability to receive completion status for the course.

5. Course Content and Schedule:

- See clinical rotations schedule posted to D2L – Getting Started Module.
- First clinical day – Day one is reserved for site orientation. Students are instructed to arrive in uniform. Student may be greeted by a clinical staff member.
- Deadline for all clinical documentation and image transfers– end of week 15.
- Last clinical day – Friday of week 16. Students who did not meet attendance or any other clinical requirement, including unsatisfactory final formative evaluation, are required to attend week 16.

6. Grading System

The following two grading systems are used at Camosun College. This course will use:

- Standard Grading System (GPA)
- Competency Based Grading System

This grading system is based on satisfactory acquisition of defined skills or successful completion of the course learning outcomes.

Grade	Description
COM	The student has met the goals, criteria, or competencies established for this course, practicum or field placement.
DST	The student has met and exceeded, above and beyond expectation, the goals, criteria, or competencies established for this course, practicum or field placement.
NC	The student has not met the goals, criteria or competencies established for this course, practicum or field placement.

Temporary Grades

Temporary grades are assigned for specific circumstances and will convert to a final grade according to the grading scheme being used in the course. See Grading Policy E-1.5 at camosun.ca for information on conversion to final grades, and for additional information on student record and transcript notations.

Temporary Grade	Description
I	<i>Incomplete:</i> A temporary grade assigned when the requirements of a course have not yet been completed due to hardship or extenuating circumstances, such as illness or death in the family.
IP	<i>In progress:</i> A temporary grade assigned for courses that, due to design may require a further enrollment in the same course. No more than two IP grades will be assigned for the same course. (For these courses a final grade will be assigned to either the 3 rd course attempt or at the point of course completion.)
CW	<i>Compulsory Withdrawal:</i> A temporary grade assigned by a Dean when an instructor, after documenting the prescriptive strategies applied and consulting with peers, deems that a student is unsafe to self or others and must be removed from the lab, practicum, worksite, or field placement.

7. Recommended Materials or Services to Assist Students to Succeed

CONDUCT POLICIES

It is the student's responsibility to become familiar with the content of these policies. The policies are available in each School Administration Office, Registration, and on the College web site in the Policy Section.

[Academic Policies and Procedures](#)
[Student Conduct Policy](#)

LEARNING SUPPORT AND SERVICES FOR STUDENTS

There are a variety of services available for students to assist them throughout their learning. This information is available in the College Calendar, Registrar's Office or the College web site at

<http://www.camosun.ca>

MRT PROFESSIONAL CODE OF ETHICS

Camosun College Medical Radiography Technology students are expected to abide by the Canadian Association of Medical Radiation Technologist (CAMRT) Code of Ethics inasmuch as it applies to them in the learning and clinical environments. This information is available on the CAMRT website at:

[CAMRT Code of Ethics](#)

MRT Department Policies & Procedures

Camosun College Medical Radiography Technology students are responsible for knowing all of the MRT Department Policies and must abide by them, including dress codes & lab safety procedures.

<http://camosun.ca/learn/school/health-human-services/student-info/handbooks.html>

8. GENERAL INFORMATION

The Medical Radiography Technology program is committed to promoting competence, professionalism and integrity in our students and developing their core skills to succeed throughout their academic programs and in their careers. The purpose of Academic Honesty Guidelines is to provide clear expectations of appropriate academic conduct and to establish processes for discipline in appropriate circumstances. It is the student's responsibility to become familiar with the content and the consequences of academic dishonesty. Before you begin your assignments, review the Academic Policies on the Camosun College website:

<http://camosun.ca/learn/becoming/policies.html>
