FREQUENTLY ASKED QUESTIONS

Frequently asked questions about course selection

1. Q: What English courses should I take?

A: One of your English courses must satisfy the Academic Writing Requirement (AWR) at UVic. Choose one of ENGL 151, 161 or 163 to satisfy the AWR at UVic. ENGL 151 is recommended.

2. Q: What course should I choose for my second English course?

A: ENGL 251 is recommended as a second approved English. We will accept any combination (2) of ENGL 151, 161, 163, and 251. BUS 130 does not satisfy the requirement for an approved English course (as of September 2012).

3. Q: Do I need to take language courses as my electives?

A: No. However if you wish to specialize in International Business or are thinking of going on International Exchange in your 4th year, you may consider taking some language courses within your recommended electives. This is only a suggestion and is not a requirement.

4. Q: Are there additional recommended courses for international students?

A: International students may consider taking BUS 130 as it is suitable for students who need to strengthen their reading and writing skills **before** attempting a course that meets the Academic Writing Requirement.

A: Before you register for a course, you should check its transferability to UVic using the BC Transfer Guide: <http://bctransferguide.ca>

6. Q: Can I take business courses while at Camosun?

A: While we do not recommend taking business courses, we will accept up to 4.5 units of COM credit. Use the BC Transfer Guide to check how your courses transfer before registering. Note that BUS 130 and BUS 140 transfer to UVic as ENGL101 and CSC 105, respectively.

7. Q: Can I do co-op while at Camosun?

A: Yes, as a university transfer business student you can participate in the co-op program at Camosun and transfer up to 1 work term to the BCom program, provided that it meets the UVic co-op criteria. Alternatively you may be able to use prior work experience to challenge your first work term at UVic. Contact your program leader and the co-op office at Camosun for more information about the work term transfer and the work term challenge.

A: Meeting the minimum admission requirements means that your application will be reviewed, but it does not guarantee you a seat in the program. You may apply again without penalty. You are also encouraged to develop a back up plan for transferring into another program.
