

**STUDENT RESPONSIBILITY:**

Students taking transfer course work at Camosun must confirm admission and program requirements, admission deadlines, and GPA requirements with UVic. Information about admission to UVic's Gustavson School of Business is available through UVic Admission Services and the Business Student Services Office. Students with questions about the undergraduate programs and courses within the faculty should contact the program by email at [bcom@uvic.ca](mailto:bcom@uvic.ca).

Students wishing to pursue a double major, honors, or joint programs must contact UVic's Academic Advising Department directly at [advising@uvic.ca](mailto:advising@uvic.ca).

**NOTES:**

- UVic's Undergraduate English requirement is under review. Check UTO frequently for updates.
- Currently ENGL 103, 104, 106, MATH 135, 137 and PHYS 101 are not transferable to UVic, so may not be used to meet any of the university transfer requirements or electives in the University Transfer Outlines. Check UTO frequently for updates.
- BUS 220, 230, FIN 210, MARK 110 may not be used as credit towards UVic's Gustavson School of Business Bachelor of Commerce credential.

**CAMOSUN COLLEGE COURSES:**

There are several routes that a Camosun student may follow for admission into UVic's Gustavson BCom program as the School of Business admits students into first, second or third year; however, most routes will have a similar path. Each admission point has specific admission criteria that applicants must meet. Admission to Gustavson's Bachelor of Commerce Program is based on quantitative considerations (academic grades) and qualitative considerations (leadership, experience and community involvement). Application for admission deadline is in February each year, confirm deadline details with UVic.
