There Are Two Types of Bursary Applications...

Which form?

2. White Applications for Designated Bursaries

Designated Bursaries have eligibility requirements beyond financial need. Bursaries with the same or similar criteria (e.g.: enrollment in a specific program of study) have been grouped into categories and assigned **one code** number. You need to submit **one** white application **per code**. Please include code number and bursary name on the white application form. Describe how you meet the mandatory bursary criteria and also any of the non-mandatory criteria if applicable. You may apply for multiple Designated Bursaries. Attach **ALL** of your Designated Bursary applications to a **single** Open Bursary Application and submit all together. Designated Bursary applications submitted without a completed Open Bursary Application will **NOT** be processed. If you have any questions please refer to the calendar or ask a Financial Aid Advisor.

Please remember...

- **Only complete forms are processed.**
- You need to tell us why you are eligible to receive bursary funding. Please use the extra space provided to explain how you meet the requirements.
- Return the forms to the Financial Aid & Awards Office before the deadline (late applications are **NOT** processed).

The Small Print...

- Due to high volume of applications, only students who receive bursaries are notified by mail.
- All applications are assessed and processed by the Financial Aid & Awards Office.
- Names of applicants receiving bursaries and their qualifying information will be shared with the donor and the Camosun College Foundation.
