StudentAid BC (SABC), through our Directed Programs Team (DPT) is tasked with administration of the federal Canada Student Grant for Services and Equipment – Students with Disabilities (CSG-DSE). SABC works with the Assistive Services Offices at post-secondary institutions to deliver financial benefits associated with the CSG-DSE to students in a manner consistent with the federal policy framework articulated in the [Canada Student Financial Assistance Program, Disability Assessment Guidelines](#). The Guidelines require that application for CSG-DSE funding be accompanied by a *detailed cost estimate*, and, *The cost depends on the course subject, the level of specialized knowledge required to address cognitive barriers, type of disability, and the qualifications of the specialized tutor.*
