STUDENT MISCONDUCT

PURPOSE AND/OR RATIONALE

All persons are expected to conduct themselves in a respectful way at Camosun College (“Camosun” or the “College”). This Student Conduct Policy (the “Policy”) outlines Camosun’s expectations of all students.

The Policy provides a framework, supported by principles and procedures, to address and resolve conduct issues. Its procedures include both an informal and formal resolution process.

This Policy is in addition to students’ rights and responsibilities under other Camosun policies, directives and associated procedures, and under the laws of local, provincial and federal governments.

POLICY APPLICATION, SCOPE, AND/OR LIMITS

This Policy applies to:

- All students enrolled in the College or engaged in College related activities;
- Students’ conduct in any organized College-related activity, and/or [Work Integrated Learning](#) opportunity beyond campuses and partnership sites. This includes, but is not limited to, work shadowing, field schools, field trips, field placements, practicums, community placements, culture camps, College-based clinical placements, off-site course deliveries, service learning projects, student exchange, and study abroad opportunities;

- Students from other institutions undertaking studies on College property;
- A person on leave under the Involuntary Health and Safety Leave of Absence Policy is not considered a Student for the purposes of this Policy.

Students' are responsible under this Policy for the conduct of their invited guests.

The Office of Student Support leads the institutional application of this Policy and works in collaboration with Campus Security.

The application of this Policy is independent of any criminal or civil proceedings which may arise from the same conduct. The processes under this Policy may, in the discretion of the Office of Student Support, be suspended when criminal proceedings are underway.

The College recognizes that students may have certain legal rights to freedom of expression. The Policy does not seek to unreasonably limit any rights provided by law. This Policy and its associated Procedures will be applied in relation to unacceptable student conduct recognizing that right.

Incidents of sexual violence and misconduct are addressed separately under the College's [Sexual Violence Policy](#). Where conduct is subject to investigation or proceedings under the Sexual Violence Policy, this Policy does not apply.

Students who are also employees of the College may, in addition to consequences under this Policy and Procedures, be subject to processes and consequences under employment related policies including the [Standards of Conduct Policy](#) and the [Respectful Workplace Policy](#).

This Policy does not limit the College's right or obligation to implement threat assessment protocols to assess whether an individual's behaviour poses a risk to self or other members of the College community.

Incidents of academic misconduct or violations of academic integrity are addressed separately under the College's Academic Integrity Policy.

PRINCIPLES

1. Students are at the centre of Camosun's educational mission. Creating and maintaining a safe, respectful, secure, and supportive learning environment for students is the responsibility of all members of the College community.
2. All members of the College community have a responsibility to act in manners consistent with the College's educational mission. Students have the right to learn in a safe environment, free from harassment, violence, intimidation, bullying, hazing, and coercion, whether the conduct occurs in person or through the use of technology. Students have obligations not to engage in conduct that

causes harm to persons or property that violates College policies and Procedures, or that otherwise contravenes federal, provincial or local laws.

3. Any conduct on the part of a Student that has, or might reasonably be seen to have, a negative effect on the College or the College community, or that affects the health, safety, rights or property of the College or the College community may be subject to discipline under this Policy.
4. The College recognizes that conflict between members of its learning community may arise. Whenever possible, students are encouraged to engage in informal conflict resolution to foster a culture of effective conflict management that emphasizes honest discussion and collaborative problem solving. The College will strive to facilitate informal conflict resolution. When informal conflict resolution is not possible, is unsuccessful, or is otherwise inappropriate, complaints and allegations may be dealt with through the formal Student Misconduct Process.
5. The College will conduct a timely investigation into allegations of misconduct that could, if substantiated, constitute a violation of this Policy. All investigations are conducted in a fair and equitable manner, consistent with the principles of procedural fairness and natural justice, and having regard to the nature and seriousness of the conduct at issue.
6. Where the Student Misconduct Process determines that misconduct has occurred, the outcome of that process will take into account all the circumstances of the misconduct and the circumstances of the Student engaging in the misconduct. The College recognizes that, where appropriate, a Student Misconduct Process outcome that is educational, developmental or restorative, may be preferable to, or imposed in conjunction with, a punitive outcome.
7. A Student Misconduct Process outcome may be appealed by a Student in accordance with the Procedures under this Policy.
8. Allegations, Informal Processes, Investigations, the Student Misconduct Process and Outcomes will all be treated by the College as confidential, and only disclosed insofar as permitted by the British Columbia Freedom of Information and Protection of Privacy Act, and as necessary to ensure procedural fairness and natural justice in relation to any Allegation. All parties and witnesses will be asked to and are expected to keep such information confidential (except that a Student alleged to have engaged in misconduct may confidentially share information with a support person). Breaches of confidentiality by a Student or employee may result in disciplinary sanctions.
9. No individual making or responding to an Allegation under this Policy, or participating in an appeal of an Outcome shall be subject to reprisal or threat of reprisal for making or defending the allegation, or for participating in the appeal. Reprisals and threats of reprisal may be subject to discipline under this or other College policy.
