HONOURING THE PAST

INSPIRING THE FUTURE

CAMOSUN
COLLEGE

50 YEARS
1971-2021

CONGRATULATIONS TO THE CLASS OF 2020

For 50 years Camosun College has brought extraordinary life-changing learning opportunities to the communities southern Vancouver Island and beyond.

This year, for the first time, we celebrate the Class of 2020 at virtual convocation ceremonies. We truly wish we could celebrate together in person, but we are hopeful in the near future, our graduates of 2020 and 2021 will be able to join us for an on-campus celebration, when it is safe to do so.

For now, congratulations to the Class of 2020 on your incredible achievements!

This past year you have learned about change and adaptation. You've learned about resilience, perseverance and how connected we all are. You've seen the importance of diversity, inclusivity, and how we need to work together for positive change. If the pandemic has given us anything, it has given us the unique opportunity to view our world from a completely different perspective.

There are still many challenges ahead. Now is the time to put your new knowledge and technical problem-solving skills to work. Use what you have learned at Camosun to better our world.

The word "Camosun" is a Lekwungen name, meaning "where different waters meet and are transformed." We are confident the education you have received at Camosun has transformed your abilities and prepared you to move forward to take on any challenge.

We can't wait to see where your journey leads.
Congratulations and best wishes!

CAMOSUN COLLEGE: 50 years of life-changing learning

Camosun College is a comprehensive community college serving the people of southern Vancouver Island and the Gulf Islands. The college welcomed its first students in 1971 and adopted the name “Camosun,” a Lekwungen name meaning “where different waters meet and are transformed.” Camosun College campuses are located on the Traditional Territories of the Lekwungen and WSÁNEĆ peoples. We acknowledge their welcome and graciousness to the students who seek knowledge here. Today, the college serves 20,000 learners each year, including more than 1,200 Indigenous students and 1,600 International students. Expert faculty members, small class sizes and comprehensive student support services help ensure our students successfully achieve their education and career goals. With two campuses in Victoria and numerous community partners, Camosun offers over 160 certificate, diploma, bachelor and post-degree programs in the arts, sciences, business, health and human services, trades, technologies, sport education, Indigenous studies and adult upgrading.
