

Thank you for attending Camosun College's second annual **Student Film Festival!**

I'd like to take a moment to express my sincere gratitude and appreciation for every student here in the **Digital Production Writing and Design program.**

This past semester presented its share of challenges, yet your unwavering commitment, diligence, and positive outlooks truly made a difference.

It has been an absolute pleasure witnessing the growth and development of each one of you throughout the duration of the program. Your readiness to lend support to your peers and your dedication to your projects has been inspiring.

I am genuinely thankful for the opportunity to have connected with each of you. As you venture into your future endeavors, I wish you all nothing but success and encourage you to maintain the same level of enthusiasm and determination that you exhibited during our time together.

Thank you for making teaching such a rewarding experience.
