<p>J. EDUCATION COUNCIL BYLAWS – CONSULT</p>	<p>Bijan Ahmadi Peter Moroney</p>
<p>Bijan reported to Council on the three components of the review of the Education Council bylaws at the May 3 Policy & Standards Committee meeting. He provided information on the suggested updates – 1) Potential role of Education Council Coordinator (strike in sec. 4 – Permanent Secretary and insert, Education Council Coordinator) 2) Pete’s role - he’s a member of two EdCo sub-committees (P&S/ICC) thus sufficient to maintain him as a non-voting member 3) Addition of an Indigenous Voice/Representative voting member, identified by Eyē? Sqā’lewen (without consideration of what group they come from - administrator, faculty, staff, or student).</p> <p>Members discussed various ideas around who that Indigenous member could be, including that it should be a faculty member so as not to dramatically change the composition of EdCo members and is the least disruptive to the Colleges and Institutes Act. Other ideas include the member being an external member – not a member of the College but a member of the College community; that it should not be a faculty member as it excludes potential members from other groups; open a 21st position for an Indigenous voting member from any member of the college community and beyond, and add an additional faculty member to preserve the 50% faculty composition on EdCo represented in the Colleges & Institutes Act.</p> <p>Suggestions from discussion were moved forward to the Policy & Standards Committee; members were encouraged to attend the next P&S Committee meeting on June 3 at 1:00 pm to have a continued conversation about the current suggestions. Updates from that meeting will be brought to June’s EdCo meeting for next steps, noting that 30 days notice is needed for changes to the bylaws.</p>

5-Year Major Capital Plan 2025/26 – 2029/30

Camosun College

5-Year Major Capital Plan: 2025/26 – 2029/30

5-Year Major Capital Plan

2025/26 – 2029/30

EXECUTIVE SUMMARY:

Camosun College is located in beautiful Victoria, British Columbia, with campuses on the Traditional Territories of the Lekwungen and WSÁNEĆ peoples. We acknowledge their welcome and graciousness to the students who seek knowledge here.

Guided by an inspiring strategic plan and administered by a professional community of talented faculty, staff and senior executives, Camosun enrolls over 14,000 learners each year, including over 1,200 Indigenous students and 2,100 International students.

Camosun College has two campuses; Lansdowne Campus is located at 3100 Foul Bay Road, and Interurban Campus is located at 4461 Interurban Road, together with our five satellite partnership centres. Between the two campuses, Camosun provides programs in the following areas: Centre for Indigenous Education and Community Connections (Eyē? Sqâ'lewen), Centre for Sport and Exercise Education, School of Access, School of Arts and Science, School of Business, School of Health and Human Services, the School of Trades and Technology and Professional Skills & Industry Training.

For the 2025/26 — 2029/30 period, Camosun College has identified seven major capital projects. The seven projects are pivotal to the growth of the college, and to support the institution's ability to continue to provide an outstanding educational experience for all students and faculty.

All seven projects identified align with Camosun College 2019 Campus Master Plan, which can be provided upon request.

2025/26 – 2029/30

CENTRE FOR CULINARY ARTS & CAMPUS DINING HALL:

Despite more recent layout and finishing improvements the aging Humber Hall building requires upgrades to its major building systems to support the functional needs and standards of the culinary arts program. The Interurban campus also lacks sufficient cafeteria space to serve the campus community necessitating a building expansion.

The Huber Hall building on Interurban Campus was built in 1970 and functions primarily as a Culinary Arts training facility, campus main cafeteria and student space. It is 1894 gsm in size and also houses the Classroom Restaurant which operates as a fine dining restaurant for limited hours as part of the culinary arts training program. It consists of classrooms, labs, offices, kitchen, cafeteria, restaurant, student space and meeting/event space.

This request has a renewal/replacement component that addresses all of the current building's deferred maintenance to 2248 gsm and an expansion component of 752 gsm to address current and future anticipated space constraints for cafeteria seating space, washrooms and kitchen space. This request supports the Culinary Arts training program, and will also address food services needs for the IU Student Housing project.

5-Year Major Capital Plan

2025/26 – 2029/30

YOUNG BUILDING REMEDIATION, EXPANSION & INDIGENIZATION:

The Young Building has been in continuous use for the past 105 years. During this time, mostly superficial renovations have taken place and building floorplans remain as originally designed and the building envelope and infrastructure are well beyond their useful life.

Efforts were made in 2000 to address major structural and envelope issues; however, the repair work was not well executed – resulting in legal action by the College against the contractor. Engineering assessments in 2014 and 2016 subsequently confirmed complete building envelope failure has already taken place and envelope masonry has fallen off the building. To protect staff and students, protective hoarding was erected around the Young Building in 2013 and remains in place today.

The Young Building Condition Assessment Report, completed by external consultants in 2020, paints a daunting picture of much needed structural, mechanical, electrical, architectural, and accessibility upgrades totaling more than \$70 million. Without immediate intervention, the building is at risk of being uninhabitable within the next decade.

Camosun serves the communities of southern Vancouver Island and the south Gulf Islands that are located in the traditional territories of the Lekwungen (Esquimalt and Songhees), Malahat, Pacheedaht, Scia'new, T'Sou-ke and W̱SÁNEĆ (Pauquachin, Tsartlip, Tsawout, Tseycum) peoples.

Although the Young Building was not used by the Indian Residential School (IRS) system, it was designed as a proud symbol of colonialism. As a result, Indigenous Elders and students do not feel comfortable entering this building. Throughout the redesign of the building, engagement with the Indigenous community will be crucial in understanding how the Young Building can be envisioned as an inclusive and welcoming space while preserving its architectural heritage.

5-Year Major Capital Plan

2025/26 – 2029/30

CBA & TECH ROOF REPLACEMENT & ENVELOPE REPAIRS:

A Building Envelope Condition Assessment (BECA) for the CBA and Tech buildings has indicated several issues with the roof and skylight assemblies resulting in water ingress and associated damages. As a result, a full replacement of the aluminum roof assembly and skylights for both buildings is required.

5-Year Major Capital Plan

2025/26 – 2029/30

LIZ ASHTON CAMPUS CENTRE CURTAIN WALL & ENVELOPE REPLACEMENT:

Deterioration of the building envelope requires fully replacing the building curtain wall assembly, windows and skylight glazing. Additional minor upgrades include weather-stripping, stucco and concrete maintenance and repair, and the addition of overhangs. The envelope repairs and updating will mitigate further damage due to moisture ingress, and the curtain wall and glazing updates will provide energy savings and better thermal performance.

5-Year Major Capital Plan

2025/26 – 2029/30

Paved Linear Infrastructure Accessibility Improvements & Repairs:

An engineering consultant has completed an asset condition assessment of Camosun's paved linear infrastructure and identified \$6 million in deferred maintenance (poor condition) and is in need of remediation. Numerous areas identified align with opportunities identified in Camosun's 2019 Campus Master Plan to improve both campuses accessibility and pedestrian connection. In addition, Markham St is also in need of repaving and presents an opportunity to widen and include bike lanes.

5-Year Major Capital Plan

2025/26 – 2029/30

CONSOLIDATION OF THE REGISTRAR'S OFFICE AND CAMOSUN INTERNATIONAL AT INTERURBAN CAMPUS:

As services have increasingly shifted to a virtual format, the office spaces for the Registrar's Office and Camosun International at both Lansdowne and Interurban campuses have become oversized for their current needs. This project aims to consolidate both departments' teams at the Interurban campus where they can operate more efficiently in a unified space. While the main operation will be centralized at Interurban, a small presence of help desk will be maintained at the Lansdowne campus to ensure continued support and accessibility.

To accommodate this consolidation, the project will redesign the existing space to support a more flexible and virtual work model, reflecting the shift towards virtual services and remote work for staff. The new space will utilize hot-desking and desk-sharing arrangements, ensuring an efficient and effective workplace that supports both in-person and virtual interactions.

The redesign will create a cohesive, modern environment that fosters collaboration while maximizing available space, supporting the departments in delivering high-quality services to students in virtual and physical formats.

5-Year Major Capital Plan

2025/26 – 2029/30

INTERURBAN STUDENT HOUSING:

Studies over the last decade have confirmed there is a significant demand for student housing at the College, and this demand persists today. In 2017/18, Camosun engaged the Scion Group to perform a market demand analysis. The analysis concluded that the College could accommodate from 335 to 504 beds at each campus. The College has determined that 425 beds can reasonably and optimally fit on the recommended site and offer sufficient economies of scale, both from capital and operational perspectives, to make the project viable.

This student housing project will include dedicated units for Trades' students. Like the Lansdowne Student Housing project, it will be the first on this campus and will require additional amenities to adequately support students living in the units. As the Interurban campus is more rurally located than Lansdowne, additional considerations will need to be made for retail/ food services/ meal plans for students in residence.

BRIEFING NOTE
Board of Governors

SUBMITTED BY: Tanya Clarmont, Chair
DATE: September 23, 2024
TOPIC: G-1.3 Board Operations By-Law Revision Attendance

For Information: _____ For Decision: X _____ For Advice: _____

1. OVERVIEW

In May, the Board Executive reviewed the results of the 2023/24 annual self-evaluation. It included a suggestion that optimal Board function requires in-person attendance at meetings. The option to attend remotely is enormously valuable for those who could not attend otherwise. However, it should be the exception and consistent in-person attendance is preferred. The Executive requested a review of the 'G-1.3 Board Operations By-Law' to clarify attendance.

The 'G-1.3 Board Operations By-Law' states under E. Board Meetings, #2. Attendance, that "A member of the Board may participate in a meeting of the Board or of any Committee of the Board remotely or in-person. A member who participates in a meeting remotely is deemed for all purposes of the *College and Institute Act* and the bylaws and policies of Camosun College to be present at the meeting and to have agreed to participate in that manner."

The proposed revision is to add a line following the above to indicate the preference for consistent in-person attendance, such as "While the option to attend meetings remotely is important, consistent in-person attendance is preferential for optimal Board function."

2. OPTIONS

- a. Approve the addition of the line indicating consistent in-person attendance is preferred.
- b. Do not revise G-1.3 Board Operations By-Law.

4. COMMUNICATIONS

Policy revisions are communicated on CamNews and the revised policy is posted on the public website.

5. RECOMMENDATION AND OR MOTION

THAT THE CAMOSUN COLLEGE BOARD OF GOVERNORS APPROVE THE REVISION TO 'G-1.3 BOARD OPERATIONS BY-LAW' THAT INDICATES THAT THE WHILE THE OPTION TO ATTEND MEETINGS REMOTELY IS IMPORTANT, THAT CONSISTENT IN-PERSON ATTENDANCE IS PREFERENTIAL FOR OPTIMAL BOARD FUNCTION.

IV NEW BUSINESS

1. Budget 2024/2025

Mike Stubbing, Chair, Finance Committee, noted the primary purpose today is to review the proposed budget for the 2024/2025 year, and to make a recommendation to the Board to support the budget at the April 8 meeting. The budget is for the next fiscal year, which is April 1, 2024, to March 31, 2025. We are budgeting for a surplus for the first time. It is a great start in rebuilding the reserves that were depleted during the COVID pandemic.

Deborah Huelscher, VP Administration & CFO, provided a high-level overview of the proposed consolidated (operating and capital) 2024/2025 budget including the accountability framework, budget assumptions and process, highlights, and budget risk and mitigation strategies. Deborah

presented data on operating grants over the years; age cohorts; domestic enrolment trends; domestic enrolment to targets; tuition revenue by year and compared to other institutions; international tuition; revenue and expense by activity stream; and 2024/2025 revenue and expense by type.

The proposed budget for 2024/25 has a three-year planning horizon and is based on conservative planning assumptions which result in a budget with a surplus position. Base budgets rollover at actual staffing levels with some growth and inflationary increases to non-personnel budgets. Domestic tuition will have a 2% increase. International tuition will have a 3.4% tuition increase, as approved by the Board on June 12, 2023.

MOTION

THAT THE FINANCE COMMITTEE RECOMMENDS THAT THE CAMOSUN COLLEGE BOARD OF GOVERNORS APPROVE THE COLLEGE'S BUDGET FOR THE FISCAL YEAR 2024/25 WITH TOTAL REVENUE OF \$178,615,965 AND TOTAL EXPENDITURE OF \$176,983,490 RESULTING IN A BUDGETED SURPLUS OF \$1,632,475.

He is moderating the session 'The Relationship of Senates/Education Councils to the Board of Governors.' The Employment Preparation and Training Program (ETP) is one of the gems of the college as it shows how we serve the entire community. He thanked Heather del Villano and Laura Friesen for the ETP presentation.

3. Foundation

Richard Stride, Acting Vice President, Enrolment & Community Engagement, noted the various student awards ceremonies provide a great opportunity to see the wonderful work being done by the Foundation with the donors.

Jody Kitts, Director, Advancement & Alumni Engagement, reported that year-to-date, we have raised \$840,000. Over the last couple of weeks and the next two weeks, there will be six awards ceremonies where 348 students will receive \$367,210 in awards funded by donors. VI NEW BUSINESS

1. Learning About Camosun: Employment Training & Preparation

Heather del Villano, Acting Dean, School of Access, and Laura Friesen, Chair, ETP, provided an overview of the Employment Training and Preparation (ETP) program. They distributed gifts from the ETP learners. The students all identify as having some type of barrier. ETP gives them a safe place to get comfortable and explore. It is classroom based with twelve to fourteen students per class. The students take part in many of the eight programs. We launch them into community work, volunteering, or further education by giving them the skills they need. We are joyful in our approach and connect with each student on an individual basis. We work with partners in the community and have work placements. We are integrating some academic upgrading. The students do a lot of work on campus. Indigenization is at the ground level with

land-based seasonal eating, harvesting, preservation, and sales on campus. Through the Foundation, a donor provided a \$300K grant for the garden classroom. The Board members were invited to attend a lesson in gardening. There will be a job fair for students with diverse needs on December 4 in partnership with Career Lab. Tanya Clarmont asked Laura to pass on the Board's gratitude to the students for their gifts.

2. Institutional Accountability Plan and Report (IAPR) 2023/2024

Rodney Porter, Executive Director, Communications and Marketing, noted the IAPR is a requirement for all twenty-five post-secondary institutions in BC. It contains goals, objectives, and measures. The IAPR covers the past fiscal year. It highlights the services we provide to students. We are waiting for data from the Government to complete the report before submission to the Ministry on July 12. The Board is requested to authorize the Executive Committee to approve the submission as it will not be complete until after the final Board meeting.

MOTION:

**THAT THE CAMOSUN COLLEGE BOARD OF GOVERNORS APPROVE THE DRAFT 2023/2024 INSTITUTIONAL ACCOUNTABILITY PLAN AND REPORT AND AUTHORISE THE BOARD EXECUTIVE COMMITTEE TO APPROVE THE FINAL VERSION ONCE THE DATA IS COMPLETE.
