10am, Dec 17

#### Interurban Campus

10am, Dec 4  
10am, Dec 11  
10am, Dec 18

## Camosun News

- **Student Society Christmas Market**

Mark your calendars! The Camosun College Student Society is hosting its 3rd Annual Holiday Market on Nov. 19 at the Interurban campus and Nov. 26 at the Lansdowne campus.

- **Camosun Chargers Toy Drive**

For the month of November, the Camosun Chargers are accepting toy donations to support The Zone @91.3's Annual Toy Drive! **Bring any new, unwrapped toys to a game on November 29th or 30th for free admission!**

Last year the Chargers donated over 200 toys and the Chargers Men's Basketball team helped sort 2 giant trucks full of toys at the warehouse! 🍌

- **Camosun College's Open House Follow-up!**

Thank you to everyone who joined us for our Open House earlier this month!

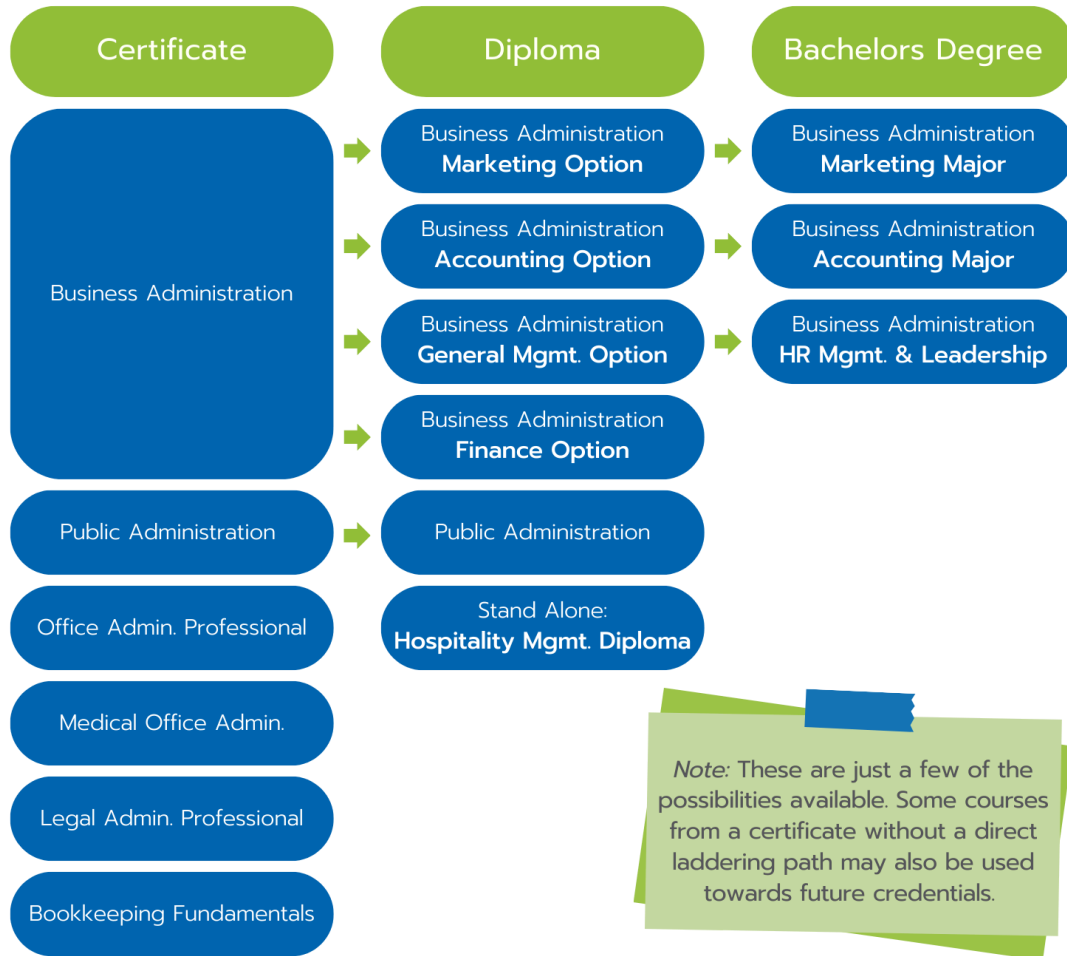

We were thrilled to welcome over 800 guests, with about 150 taking part in campus tours. The rain stayed away, and the event was a huge success! Guests enjoyed food trucks, presentations, an alumni panel, campus tours, and engaging activities and information from our schools and services.

## School of Business Programs

We offer more than 20 business programs, including degrees, post-degree diplomas, certificates, diplomas, and university transfer courses.

There are numerous route possibilities that can lead to a successful career in business. For instance, a student can start by completing a Business Administration certificate, then pursue a diploma, and later obtain their degree. This approach allows them to work between each stage, gaining three credentials, all while spending the same amount of time in class as a student who proceeds directly to a bachelor's degree.

Check out the flowchart below to explore a few of the many possibilities:

*Note:* These are just a few of the possibilities available. Some courses from a certificate without a direct laddering path may also be used towards future credentials.

### University Transfer, Business

If you're planning to start at Camosun and then transfer to another post-secondary institution's Business program, you can complete one or two years of general studies through Camosun's University Transfer program. Be sure to consult the BC Transfer Guide, connect with the institution you plan to transfer to, and meet with one of our Academic Advisors to ensure you're on track!

### Associate of Arts, Economics

This two-year, 20-course program provides a strong foundation in economics, statistics, science, and English, along with elective courses to customize your education.

As a graduate, you can choose to continue your studies or pursue a career in academia, banking, government, business, international development, or research organizations.

## Top Camosun Webpages Used by Prospective Students

As a post-secondary institution, we strive to create a user-friendly website that provides all the necessary information. Given the extensive amount of information available, we understand that finding specific details can be challenging.

We have created the following quick link section in our newsletters specifically for you! We hope that by using the links below, you will find it easier to navigate our website and assist your students effectively.

### Contact Recruitment

Contact us for general questions about where to start and what to expect for domestic students.

### Contact Admissions

Contact Admissions when you have a specific program in mind and for questions about the domestic admission process, submitting program admission requirements, and more.

### Future Students

Visit this webpage for an array of info and links to helpful parts of the website for future students!

### How to Apply

Detailed instructions on How to Apply to Camosun using EducationPlannerBC.

### Housing

Helpful links for students who will be searching for housing near one of our campuses.

### Entrance Awards and Bursaries

Each year there are awards and bursaries that go unclaimed! Encourage students to check these out.

### Find a Program, Course, or Subject

Explore all 160+ of Camosun's programs by Area of Study, Credential Type, Work experience, and Study options.
