### Conditional Admission for High School Applicants

At Camosun, students enrolled in grade 12 in a Canadian secondary school, and working towards graduation requirements, can apply early, from September 15 to May 15, for conditional admission.

- **How:** Students apply through [EducationPlannerBC](#) and ensure they indicate their current status as a high school student
- **When:** Current grade 12 high school students can apply from September 15 until May 15 of their grade 12 year
- **Transcripts:** To meet eligibility for conditional admission, official transcripts are due by May 15 and will be reviewed to determine if students meet academic program admission requirements with either final grades or course enrolment. Final official transcripts are due by July 28 and will be reviewed again to ensure final grades meet academic program admission requirements.
  - An easy way for high school students in BC to ensure we have access to their grades is to use BC's [StudentTranscripts Service](#) and select the option to allow us access for up to one year!

## Camosun News and Campus Events

- Camosun students are back on campus for Fall 2024! Classes kicked off on September 3, and we celebrated the start of the term with CamFest on both campuses on September 3 and 4. CamFest happens at the start of each term (Fall, Winter, and Summer) to welcome new students, offer information, provide directions, and hand out swag!

### Open House 2024

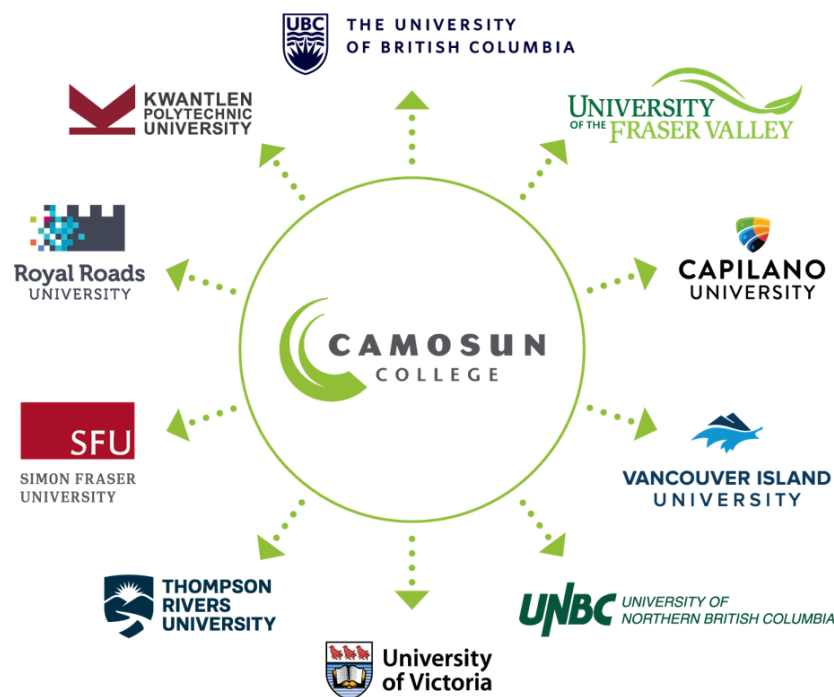

You're invited!

Save the date of **Saturday, November 2, 2024**, for our Open House event! Get ready to explore all that Camosun has to offer!

The event will take place on our **Interurban campus from 11am - 3pm**. Stay tuned for further details!

## Featured Study Area: University Transfer

If your future goals involve studying at a university you can study for one to two years at Camosun and transfer your credits to another program, college, or university to finish your program. It is also possible to transfer to universities in other provinces across Canada.

After two years in the University Transfer program you may be eligible to complete your degree at UBC, University of the Fraser Valley, Capilano U, Royal Roads University, Vancouver Island University, UVic, Thompson Rivers, Simon Fraser, UNBC and more!

It is important to speak to an advisor at the institution that you want to transfer to early on, making sure you're aware of their transfer policies. You can also check Camosun courses transferability by using the [BC Transfer Guide](#). This way you can ensure the courses you're taking at Camosun transfer to the institution you want to transfer to! Additionally, we advise all new students in University Transfer programs speak to a Camosun Academic Advisor. These advisors can help you lay out your academic journey, making sure you're on the right path to reach your goals.

The University Transfer program lets you mix and match your credit courses to create an educational plan that's right for you. Full-time, part-time, general studies of a specific focus- it's your custom program.
