Medical Insurance

International students are required to have medical insurance for the entire duration of their studies in Canada. Healthcare costs in Canada can be quite high and it is crucial that you are covered under a comprehensive insurance plan during your time here.

Students new to Canada are eligible for Government of British Columbia issued medical insurance called Medical Services Plan (MSP) after three months residing in British Columbia. International students who will be staying in BC longer than six months are legally required to enrol in MSP. MSP covers basic medical services such as doctor’s visits to walk-in clinics (in most cases) and hospitalization.

Because new international students are not covered by provincial MSP for the first three months, students need to enrol in private medical insurance. Camosun College offers coverage to international students through the insurer guard.me. Students must request to be enrolled for guard.me coverage, as enrolment is not automatic.

Once you enrol, you will be covered by guard.me for your first three months in Canada. During this time, you are required to apply for MSP so that there is no lapse in your basic medical coverage. Please apply for your MSP as soon as you arrive in BC by uploading a copy of your Study Permit and completing a form via their website at URL: https://my.gov.bc.ca/msp/application/prepare.

Types of Medical Insurance

Guard.Me

All international students at Camosun College have the option to enrol in the comprehensive health insurance plan offered through a private insurer called guard.me. Please keep in mind that while it is not mandatory to enrol in guard.me, it is mandatory to have private health insurance for your first three months in Canada. The health insurance policy provided by guard.me offers coverage for emergency medical services that is valid all over the world, except your country of origin.

You can find a summary of the benefits and policies in many different languages for your convenience. guard.me also provides a 24-hour health information line and a Mobile Doctor app so you can always have their support. Visit: www.guard.me/camosuninternational

Medical Services Plan (MSP)

MSP covers the cost of any medically required service provided by a physician enrolled with MSP. There is a monthly fee for this coverage and it is billed to you directly by the government. Currently, the cost is $75.00 CAD per month for a single individual (different fees for families).

You can apply for MSP coverage online or by mail. You will be required to submit a scan of your study permit for the MSP application. Please find more details on How to Apply for MSP. Visit: www2.gov.bc.ca/gov/content/health/health-drug-coverage/msp/bc-residents/eligibility-and-enrolment/how-to-enrol

CCSS Extended Medical Plan

The extended medical plan offers partial coverage for services that are not covered by MSP, such as ambulance fees, dental care, and prescription drugs. Students are required to participate in the CCSS (Camosun College Student Society) Student Benefits Plan. For more details about this insurance plan and what it covers, visit camosunstudent.org/health-and-dental/
IN AN EMERGENCY, CALL 9-1-1!
When you are in an emergency situation where there is risk to people or property, call 911 for emergency police, fire or ambulance. Trained emergency call takers will provide you with the information and assistance you need.

TRANSPORTATION

BC TRANSIT
The U-Pass (universal bus pass, included in your fees) allows students unlimited access to all BC Transit buses in the Victoria region at all times. Buses provide service to both campuses every 10 minutes during peak times. For schedules, trip planning information, and updates, visit the BC Transit website: bctransit.com/Victoria

CYCLING
There are bike racks on both campuses. Please do NOT bring your bike into buildings or lock it to trees, signs, or handrails.

Secured bike parking is available for $5.50/month; make arrangements through the bookstore.

WALK SAFER
Walk Safer is a student-run service that provides volunteer walking escorts to your car or bus at night. All volunteers are screened with a criminal check and complete a training session. Walk Safer offers evening campus patrols and escorts September through mid-April from 6:30 PM to 10:30 PM Monday to Thursday.

YOUR IMMIGRATION DOCUMENTS

These two documents are a valid Study Permit and a Temporary Resident Visa (TRV), or Electronic Travel Authorization (eTA).

If you are transferring from a post-secondary school in Canada, you must inform IRCC of your Designated Learning Institution (DLI) change. Camosun College’s DLI number is O19361235542.

We recommend booking an appointment by sending an email to international_advisors@camosun.ca.

While emailing us, please include the following information:

1. Your Name
2. Student ID Number
3. Your citizenship(s)
4. Study permit and entry visa/eTA expiry date (if Applicable)

Cultural Differences and Transition Challenges

In a new culture and environment, we might become confused and uncertain about differences in customs, values, beliefs, expectations, and social ways of relating. This can lead to feelings of discomfort, known as Culture Shock or Transition Stress. You may find yourself experiencing some (or all) of these five key changes when you live abroad.

The 5rs of Culture Change

STRESS, EXCITEMENT, ANTICIPATION, ENTHUSIASM, ANXIETY, FEAR, SADNESS, WORRY, GUILT, DISCOMFORT, UNCERTAINTY, SATISFACTION

REFLECTIONS ABOUT SELF:
Moving across cultures, our identity may be in a state of transition. Who am I? What do I know, value, believe?

ROUTINES:
Disrupted and sometimes drastically different, may cause some stress and discomfort.

RELATIONSHIPS:
Letting go of, or deepening familiar connections, creating a new community and support.

REACTIONS:
We may sense that we are doing something “wrong”, but not sure what. We may have confusing and strong responses to others.

ROLES:
Mixed emotions about the gain and loss of different roles and identities.

Sexual Violence and Misconduct

• Camosun is committed to preventing and responding to sexual violence and sexual misconduct concerns.

CULTURAL SHOWCASE

Camosun International presents the Cultural Showcase annually to celebrate culture and diversity. Audience can enjoy a night of performances from international and local students at Camosun College and members of the community. In recognition of the UN International Day for the Elimination of Racial Discrimination, the Cultural Showcase aims to promote tolerance and acceptance of other cultures through creativity.

Our next Cultural Showcase will be in March 2023, as health and safety guidelines permit.
