Victoria

- Some of the most moderate weather in Canada
- Best city in Canada for young professionals
- Voted Canada's friendliest city
- Leading Industries: Technology, Education, Social Services

Map showing Victoria is 1.5hr by ferry from Vancouver and 25min by plane.
Why Camosun

- Applied Learning
- Practical
- Relevant
- Value

Camosun College campuses are located on the Traditional Territories of the Lekwungen and WSÁNEĆ peoples. The college welcomed its first students in 1971 and adopted the name "Camosun", a local Lekwungen (Songhees) First Nation name meaning "where different waters meet and are transformed".

- 30 Average class size
- 14,000 Students
- 1,700 International Students
- 80 Nationalities
- 2 Campuses IN VICTORIA: Lansdowne & Interurban
- 160 Programs
Camosun International provides international students with specialized services and support. Our Victoria-based staff speak more than 21 languages. With an international office on each campus, our team welcomes students from around the world and facilitates a positive and successful experience at Camosun!

Camosun’s campuses are well-equipped with the facilities and services to ensure your time here is productive and enjoyable. At each campus, you will find a library, bookstore, computer labs, study rooms, fitness centre, cafeteria, coffee shop, and help centres for English and math. On campus, you can also participate in student clubs, drop-in and competitive sports teams, exercise classes, and career fairs.

On-Campus Services

- Academic Advising
- Admissions & Registration
- Athletic Therapy Clinic
- Bookstore
- Chargers Athletics
- Child Care Services
- Co-op Education & Career Services
- Counselling
- Dental Hygiene Clinic
- Fitness and Recreation
- Help Centers (English and Writing)
- Library
- Massage Therapy Clinic
- New Student Orientation
- Social & Cultural Activities
- Student Groups
- Student Society
- Study Abroad
Credentials

Camosun offers a wide range of credentials to help prepare you for your career. Our instructors are industry professionals who understand what skills graduates need in the workforce. With hundreds of programs and courses, Camosun has a lot of options for you to choose from.

Explore our programs in the areas of Arts & Science, Business, Engineering & Technology, Sport & Exercise Education, and Health & Human Services to find the one that’s right for you.

Graduate from Camosun and stay in Canada

Post-Graduation Work Permit

Depending on the length of your program, you may be eligible for a Post-Graduation Work Permit to continue living and working in Canada after completing your studies.

camosun.ca/pgwp

Associate Degree

Acknowledges completion of an approved program consisting of 20 university transfer courses.

Diploma

Acknowledges completion of an approved two or three-year career, technical or vocational program.

Bachelor’s Degree (Applied Degree)

Acknowledges completion of an approved, advanced-level, four-year specialized program.

Post-Degree Diploma

Acknowledges completion of an approved specialized program which builds on a previously completed recognized degree.
We offer:

• Career fairs, workshops on effective networking strategies, personal branding, and other important topics

• Mandatory Workplace Education Prep (WEP) or Career Development (CDEV) course

• A dedicated International Employment Facilitator available to support international students

• A Career Job Board with extensive employment opportunities for our students

• A well-developed network of local industry contacts

WIL Experiences

Co-op

Alternate between full-time studies and full-time paid work with one or more employers. You will need to complete at least two work terms (minimum 420 hours each) to graduate with a “Co-op Education” designation.

Internship

Engage in full-time studies and full-time or part-time work, which may be paid or unpaid. You will need to complete at least one work term (minimum 300 hours) to graduate with an “Internship” designation.

Practicum

Observe working professionals on the job and practice the skills you have learned in class. You will need to complete a specific number of supervised practice hours (unpaid) to fulfill the practicum requirements for your program.

Strategic Volunteering

Observe working professionals on the job and practice the skills you have learned in class. You will need to complete a specific number of supervised practice hours (unpaid) to fulfill the practicum requirements for your program.

At Camosun, over 90% of our academic and vocational programs offer students the possibility to engage in a Work Integrated Learning (WIL) experience. We offer WIL opportunities in a variety of forms, including co-ops, internships, practicums and strategic volunteering. Regardless of the WIL experience you participate in, the opportunity will allow you to elevate your skills and facilitate your transition into the job market after graduation.
University Transfer

Let us know the university and program that interests you

University Transfer (UT) allows you to start your bachelor’s degree at Camosun and transition seamlessly to internationally renowned universities and programs. You will receive one-on-one academic advising support to choose your courses, develop your personal learning plan, and transition to the university of your choice.

Start at Camosun and complete your bachelor’s degree in four years!

Camosun offers over 300 transferable courses so you can mix and match your credit courses to create an educational plan that’s right for you.

camosun.ca/ut
University Transfer

Choose from more than 30 different subject areas!

When you’re ready to transfer to a university, you’ll be well-prepared for further studies.

**Associate Degrees**
- Biology
- Economics
- English
- General Arts
- General Science
- Pre-Social Work
- Psychology

**University Transfer**
- Arts
- Business/Commerce
- Education
- Science
- Computer Science (1+3)
- Engineering (1+3)
Business Undergraduate

The School of Business provides you with the knowledge, skills, and values necessary to be successful in a changing business world. Our applied programs combine the practical and theoretical applications of business, leading 90% of graduates to find work in fields related to their area of study.

Diplomas in Business Administration

- Accounting
- General Management
- Finance
- Marketing

Bachelor of Business Administration Degrees

- Accounting
- Human Resource Management & Leadership
- Marketing

There are three credentials that allow you to progress from a certificate to a diploma to an applied degree.

Certificate 1st year

Diploma 2nd year

Bachelor’s Degree 3rd year

4th year

*The Diploma in Hospitality Management does not bridge into the Bachelor of Business Administration. For transfer options, please contact us.*
Camosun’s Post-Degree Diplomas (PDD) are designed for students who have completed a bachelor’s degree and are seeking advanced, practical knowledge to enhance their education in business in order to further their careers. You will gain practical skills and experience by combining your academic studies with relevant work experience in the Internship designation.

**Post-Degree Diplomas**

*Post-Degree Diplomas in Business Administration*

- Accounting
- General Management
- Human Resource Management & Leadership
- Marketing

**Post-Degree Diplomas - Other areas of study**

- Applied Tourism & Hospitality Management
- Post-Degree Diploma in Sport Management

[camosun.ca/pgwp](camosun.ca/pgwp)
Camosun’s School of Arts and Science offers you the flexibility to take courses from different subject areas or concentrate on a specific field of study. Our faculty strive to create a learning environment that is committed to student success and instructional excellence.

**Diplomas**
- Applied Chemistry & Biotechnology
- Arts & Science Studies
- Criminal Justice
- Music Performance
- Visual Arts

**Certificates**
- Comics & Graphic Novels
- Digital Production, Writing and Design

[camosun.ca/as](https://www.camosun.ca/as)
Camosun offers Engineering Bridge programs that prepare our engineering diploma graduates for direct entry to the third year of Engineering at the University of British Columbia (UBC) or the University of Victoria (UVic). Our students go on to complete a bachelor’s degree in Engineering or Applied Science.

With over 995 technology companies in the Victoria area, and the city undergoing a major infrastructure renewal and expansion, graduates of our computer and engineering technology programs are in high demand.

**How Engineering Bridges Work**

Camosun offers Engineering Bridge programs that prepare our engineering diploma graduates for direct entry to the third year of Engineering at the **University of British Columbia (UBC)** or the **University of Victoria (UVic)**. Our students go on to complete a bachelor’s degree in Engineering or Applied Science.

### Information Technology (IT) Diplomas

- Cybersecurity & Network Technology
- Information and Computer Systems
- Interactive Media Developer

### Engineering Diplomas

- Civil Engineering Technology
- Electronics & Computer Engineering Technology
  - Renewable Energy
- Electrical Engineering Technology
  - Marine & Industrial
- Mechanical Engineering Technology

### Engineering Bridges

- Civil Engineering Bridge to UBC
- Electrical & Computer Engineering Bridge to UVic
- Mechanical Engineering Bridge to UBC
- Mechanical Engineering Bridge to UVic

**UVIC OR UBC**

**1 Year Bridge**

**2-3 Year Camosun Engineering Diploma**
The School of Health and Human Services at Camosun is dedicated to preparing you for a career in health care, outreach, and community engagement.

Each program strengthens your abilities in team building, leadership, communications, and collaboration and includes a practicum component where you develop clinical and service skills.

**Health & Human Services**

**Certificates**
- Certified Medical Laboratory Assistant
- Certified Dental Assistant
- Health Care Assistant

**Diplomas**
- Community, Family & Child Studies
- Dental Hygiene
- Early Learning & Care
- Practical Nursing
Camosun’s Centre for Sport and Exercise Education delivers innovative programs that combine sport, fitness, wellness and rehabilitation, with management, science, and leadership.

The CSEE building is home to Camosun’s sports teams, the Chargers, an Athletic and Exercise Therapy Clinic, the Canadian Olympic and Paralympic Sport Centre, and the Pacific Institute for Sport Excellence.

Bachelor’s Degrees

- Kinesiology
- Sport Management

Diplomas

- Kinesiology
- Sport Management

Graduates of the Kinesiology and Sport Management Diplomas can continue in year 3 of the respective Bachelor’s degrees.

Other areas of study

- Diploma in Massage Therapy
- Bachelor of Athletic and Exercise Therapy
- Post-Degree Diploma in Sport Management
If you do not meet the English, Biology, Chemistry, Math or Physics requirement for direct entry to the program of your choice, we can help you through our on-campus ESL & Academic Upgrading programs.

**English Language Development**

Duration of each level - 4 months, 14 weeks. Start in September, January, or May!
Select levels run on 2-months, 7-week model and start in September, November, January, March, May and July.

**Academic upgrading**

- Biology
- Chemistry
- Math
- Physics

---

camosun.ca/intl-programs
Camosun works with a number of distinguished language schools to offer you more ways to meet the English requirement for our academic programs. Research each school to find out where they are located, when you can begin studying, how long it will take, and what the cost is.

Admissions

General admission requirements for Camosun’s academic programs are as follows:

**If you are 17 or 18 years old** High School Graduation is mandatory.

**If you are 19 years old or older** High School Graduation is highly recommended for prerequisite purposes (unless required by the specific program admission requirements).

**at the start of your first academic term. If you are a High School Graduate and 16 years old or younger, please contact us.

English proficiency (one of): ***

» Camosun ELD 092 and 094, or ELD 097 with final grade of C or better

» Recognized ESL pathway partner certificate

» BC High School English 12 or English Studies 12 or equivalent with final grade of C+ or better

» IELTS (Academic) score of 6.0 overall (no sub-score less than 6.0)

» TOEFL iBT score of 78 overall (no sub-score less than 19)

» PTE Academic score of 54 overall (no sub-score less than 50)

» Duolingo English Test (DET) score of 105 for General Admission to most Certificate and Diploma programs, and Bachelor of Business Administration programs (exceptions: Nursing and certain other Health-related programs). Score of 115 for admission to Post-Degree programs (all majors) and Degree programs offered by Centre for Sport and Exercise Education.

» Other approved alternatives.

* Many of Camosun’s programs have limited capacity and operate on a first to apply, first to qualify, first to be admitted basis. Students are encouraged to apply as early as possible.

*** Applicants from countries where the Student Direct Stream (SDS) program is available must meet corresponding SDS criteria in addition to Camosun admission requirements.
1. Apply Online
Submit online application through Education PlannerBC (pay $100 non-refundable application fee). Make sure to submit supporting documents as well.

Supporting documents may include:

- Transcripts (high school/post-secondary). Scanned copies of official documents are acceptable to submit with application. Official, sealed transcripts must be received by Camosun International. If a supporting document is in a language other than English, please provide a certified English translation.
- Proof of English proficiency
- Scanned copy of passport (pages showing photo, personal information, and signature)
- Study Permit or any other Canadian government-issued permit (if applicable)
- Program-specific documents (if applicable)

2. Receive letter of eligibility
Once your application has been reviewed, and if we determine we can offer you a seat in the program, you will receive a Letter of Eligibility and details regarding your Tuition and Fee Deposit. You must pay the tuition and fee deposit in order to receive the Letter of Acceptance, which is required to apply for a study permit (and entry visa if necessary). The Tuition and Fee Deposit is non-refundable and non-transferable.*

* Please refer to our First Semester International Student Refund / Deferral Procedure for more information.

3. Receive letter of acceptance
Submit your application for your study permit (and entry visa if necessary) to your local visa office, and make your travel arrangements to come to Canada in time for the New Student Orientation.

Camosun English Learning Adventures "CELA"

CELA is an exciting applied Language and Culture program that combines real-world English language skills, challenge-based learning and engaging local cultural experiences. Learn and practice English at the largest public college in British Columbia, located in beautiful Victoria. These two-week and four-week programs provide you the opportunity to study in a campus setting and to develop your English communication skills while living the language.

camosun.ca/CELA

CELA students have the opportunity to practice English while exploring the many tourist attractions that Victoria has to offer.

Custom Programs

We can customize Learning Development Programs for groups of international students and educators. Custom Programs are a collaborative endeavour where we identify the needs and goals together and then our team designs a program exclusively for your group. Custom Programs require a minimum of 15 participants.

For more information, please contact us at:

global@camosun.ca
Territorial Acknowledgment

Camosun College campuses are located on the Traditional Territories of the Lekwungen and WSÁNEĆ peoples.

The college welcomed its first students in 1971 and adopted the name “Camosun”, a local Lekwungen (Songhees) First Nation name meaning "where different waters meet and are transformed".
SEE YOU SOON!
